Lee,

I've attached a copy of the draft paper we just submitted to *ES&T Letters*.

We would like to provide R4 and North Carolina state officials prior notification of the likely publication of this work.

If you would please pass this on to folks who you think need to be aware of this new work we would greatly appreciate your help.

Thank you very much,

Andy

Has anyone in Region 4 and NC been contacted regarding the Cape Fear paper? If so, do you know specifically who?
